

# Graduation Project Week #2

## Meeting Minutes

### \* Agenda

1. Presentation of one research paper
2. Explanation of some important topics through the paper
3. Determination of upcoming tasks
4. Planning next steps for next week

### \* Meeting Points

- Team Leader's Summary:
  - The leader provided a brief on what each team member had accomplished over the past week.
- Presenter's Presentation:
  - A team member presented the selected research paper.
  - The team discussed various aspects of the paper, with clarifications provided by the professor for topics that were unclear.
- Task Planning for Upcoming Weeks
  - The team will find a way to enroll in relevant Coursera courses and start the coursework.
  - Continue researching and identifying an appropriate dataset for the project.
  - Download the available dataset and use Python to visualize and extract important information from it.
  - Each team member will read a different research paper.
  - A 2-hour internal meeting will be scheduled where each member will explain their paper to the others.

### \* Attendees

Omar Emad (Leader)  
Omar Nabil (Presenter)  
Khaled Badr  
Hana Hesham

### \* Planning Next Meeting

- **Next Meeting Scheduling**
  - The next team meeting is scheduled for 17th September at 9:00 PM.
  - Agenda for the next meeting: The team will discuss the selected paper, "Deep Learning Approaches for Data Augmentation in Medical Imaging: A Review (2023)," and reviewing the progress on the assigned tasks.
